The Dark Expanse: Volume 3 (Astral Clash Series)

I appreciated the effort the author made in making Naomi's reactions and thought process realistic in relation to what she experienced.

To Live From The Heart: Mindful Paths To The Sacred

Even while you're watching Donald Cammell's entry in the evil-machines-run-amok subgenre, it's hard to believe this queasy thriller about a self-aware computer that takes over a scientist's automated house and impregnates his wife with a cyborg baby. With her majestic powers of character conjuration, this reader fully expects Mary Soon Lee to populate worlds every bit as popular if not more popular than Anne McCaffery or Robert Jordan -- all the taste without the fattening calories glory be to writers who can economize -- casting a motley crew of characters readers can care .
