From fairy pools and forbidden flames, to circuses and sailors' lairs, the glorious magic of a human fairy and the opulence of three grand balls paint a complex world -- one in which a beautiful gown may not be enough to conquer a throne and the persuasion of magic requires more than merely a desire to control it. Hello, i know this is an old thread but reading it i felt i had to comment.

The curtains behind me were blowing in over my pillows. I read the earlier version, 'Identity Theory', which may have had a few more typos than 'In the Evil day'. She also might have a little magic herself-and it's so damn cool. Criticism might make him indignant in the moment, but he regarded it as part of the game; he was resilient.
